I am happy to know that Shri Boddhisatya Tarafdar has created and curated a virtual museum, the "Bengal Revolution for India's Liberation Virtual Museum (BRIL Museum)", to commemorate the revolutionary freedom fighters of Bengal and their sacrifices in securing our nation's independence from colonial rule.

This virtual museum, I am sure, will act as an important source of knowledge about the glorious history of Indian freedom struggle, especially for the younger generation.

I convey my best wishes to Shri Boddhisatya Tarafdar for this laudable initiative and hope that BRIL Virtual Museum will be able to generate more awareness about the contributions and sacrifices made by the freedom fighters.
